I have had the delight and good fortune to explore some amazing, far-flung parts of this world with my friend, Jill Adams. She excels at finding great deals and putting together “fun” trips. The DEYC Star Flyer Cruise was an idea originally hatched by Linda Masters and P/C George Masters. Jill and I worked to implement it. Interest at the Haul-out party provided forward motion. Attached is a flyer with details. Additionally, on the DEYC web site there is more information.

Star Flyer does not hold rooms. Bookings and room assignments are on a first come basis. Read Jill’s message below for further details regarding booking a trip in the current “climate”.

With pleasure and anticipation,

Below is language regarding cancellations. Because of the current "climate" we can cancel and receive a Future Cruise Credit almost up to sailing. Keep in mind, everyone will need to have travel insurance that, if purchased within days of initial deposit, will fully cover cancellations for any reason. I like to use www.squaremouth.com because they search multiple carriers to get the best deals. Let me know if you need clarification. Also, the \$400 deposit is due upon booking and the balance is due 90 days out which is December 19th! Club members call me directly and I will happily set them up or answer any questions you may have!

Hi Jill, to recap my response to your inquiry below ...

During these unprecedented times, if a client wishes to cancel their booking, they may rebook and apply their funds to the new booking.

- Any funds in penalty (deposit or full) will remain in penalty.
- Any additional funds applicable to the new booking, will follow the 119 days & prior cancellation schedule as it applies to the new sail date.
- Guests may cancel and keep their funds on the booking until such time they wish to rebook. Client and travel partner should keep cancelled booking ID in order to reference where their funds are currently located.
- If guest cancels 120 days or more prior to sailing, their funds are not in penalty and guest may rebook or request a refund. Please note that unfortunately refunds are taking up to 120 days for processing.

If guests are booked (individually or in a group) and Star Clippers cancels the sailing under Force Majeure conditions, guests have two options ...

- Rebook and move their funds (no funds are in penalty & cancellation schedule begins 119 days prior to new sail date)
- Request a full refund (refund processing taking 120 days)

We have been doing this successfully with groups and individual bookings thus far. We are ready for the Royal Clipper to set sail next Tuesday, September 14th in the Mediterranean (barring anything unforeseen). And Star Flyer in early November (also barring anything unforeseen).

Looking forward to sailing your Commodore and her fellow yacht club members next March! Thanks so much ... have a terrific weekend - B

Warmest Regards, Beth
