

**FACT SHEET: STAR CLIPPER AND STAR FLYER**

The Star Clipper & Star Flyer are twin mega sailing ships, introduced in 1991 and 1992. They are owned by Mikael Krafft, a Swedish entrepreneur. Service is provided by international officers, staff, and crew.

Guests aboard these yachts are affluent and well-traveled individuals who enjoy casual lifestyles. The unstructured nature of life aboard these vessels has strong appeal for them. Normally 50% of the passengers are from around the world and the balance is made up of North Americans, adding a true continental flavor onboard.
